Comments: To The Forest Service:

Please move ahead with the purchase of the school trust lands within Boundary Waters Canoe Area Wilderness.

My family and i fully support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

We agree that purchasing these 83,200 acres will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

Thank you.

Sincerely,

The Kelly Family:
