Title:

Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package. We need to protect these lands from logging and mining and development. People and wildlife need places to be wild and free of human destruction. We must stop the extractive industries and let some land continue to be unspoiled.
