Comments: Please register my support for the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

In my opinion a federal purchase will allow easier and more effective administration and protection of the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

A federal purchase will provide far more income to Minnesota's Permanent School Fund than would a land exchange, according to analyses by the local Timberjay newspaper and others.

A federal purchase is legal under the Weeks Act the Land and Water Conservation Fund for exactly this purpose.
