Comments: The fed purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package is a great idea!

Let's get it done!

The BWCAW would be more efficiently managed and protected when the feds buys these sections of state or county land.

Congress created the Land and Water Conservation Fund which is perfect use for this situation.

Thank you.
