Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package. My family has been canoeing in the Boundary Waters for three generations, starting with my father attending summer camp there in the 1930's. Even though I live in Vermont, I've taken my sons on week long trips to the Boundary Waters. It's a special place, and we need to preserve it.
