Comments: I am contacting you to tell you I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

I strongly believe a federal purchase will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

I'm certain that a federal purchase will provide far more income to Minnesota's Permanent School Fund than a land exchange would -- and this is according to analyses by the local Timberjay newspaper and others.

Unlike the assertions of the local legislators, a federal purchase is perfectly legal under the Weeks Act. Furthermore, Congress created the Land and Water Conservation Fund for just such purposes. We all know this is absolutely legal and legitimate.

Thank you for your consideration of my comments.
