Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

A federal purchase will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

A federal purchase will provide far more income to Minnesota's Permanent School Fund than would a land exchange, according to analyses by the local Timberjay newspaper and others

This is the best option for everyone except for a few local legislators who are lobbying for the interests of big business, who probably are from out of state, rather than for the people of Minnesota.
