Comments: I strongly support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

A federal purchase will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

Unless these lands are protected, there is a possibility that they would be developed for residential or commercial purposes. too many areas are already developed. we need to keep undeveloped land for wildlife habitat and for recreational purposes.

please allow this purchase to proceed.
