Title:

Comments: Director, Ecosystem Management Coordination

201 14th Street SW, Mailstop 1108

Washington, DC 20250-1124

Attn: Jennifer McCrae, Forest Service Team Leader

Dear Ms. McCrae:

Restricting active forest management will not address the real threats to old-growth forests, such as wildfires, insects, and disease. Concentrate on the issues of real threats.

Tom Fell
