Comments: Old growth trees and trees that are becoming old growth provide planet Earth with clean air and clean water. P L E A S E do not cut down the trees providing us with clean air and clean water.

Please put a permanent S T O P on harvesting old growth trees and trees that are becoming old growth. It is time to S T O P pillaging the earth. It is time to H A L T A L L clearcutting and stop the flooding in the Appalachian Mountains.

Thank you for reading my concerns.
