Comments: I am commenting on the old growth ammendment in oregon..I just cannot believe we r having this conversation about old growth trees...I would love for you to do the right thing and please do not cut them down please please do not cut them down...I'm not sure whose bright idea this was but they should be fired..it's just disgusting the way we r destroying everything that is perfect about this planet...please reconsider what you are doing with this proposal..thank you
