First name: Denise
Last name: Giago
Organization:
Title:
Comments: My name is Denise Giago. I am an enrolled Oglala Lakota tribal member and I live and work in the Black Hills area. I am writing in SUPPORT of the Pactola Reservoir Area-Rapid Creek Watershed mineral withdrawal. We need to protect our sacred land and precious water source from destructive mining. Please act expeditiously and get this withdrawal to the Secretary of the Interior asap. Thank you.
