Last name: Ryder

Organization:

Title:

Comments: I support the Pactola Reservoir-Rapid Creek Watershed Withdrawal. Our natural habitat should stay natural. Our waters and wildlife need to be protected. If we don't there won't be any wildlife left. Not only will our drinking water make us sick it'll harm the beings around it. Please make sure that we protect what is natural on our land! I'm a wildlife volunteer and I will try my best to help and protect our wildlife.
