Title:

Comments: I fully support the of the Pactola mineral withdrawal. The Black Hills are under assault from many directions. We need to preserve what little is left of them. The water is key to everything and it shouldn't be jeopardized my mining interests. I have fished and swam in the various lakes and rivers in the Black Hills for the last 60 years. I would like to think that my children and grandchildren will enjoy the same quality of life that I have enjoyed.
