First name: Jim

Last name: Burow

Organization:

Title:

Comments: My family, friends and I use the Pactola reservoir for relaxation and recreation. There should be no mining near or around the lake. I support a ban on any and all mineral extraction and exploration in the area and would also support a ban or withdrawal on any further mining in the Black Hills as a whole. We need to stop mining and development of the Black hills and prevent pollution of our water sources.
