Data Submitted (UTC 11): 10/21/2024 7:12:03 PM
First name: Ione
Last name: Quigley
Organization: Rosebud Sioux Tribe THPO
Title: Director
Comments: I, Ione Quigley, of the Rosebud Sioux Tribe Tribal Historic Preservation Office, fully support the withdrawal as it will have a positive impact in time regardless of the previous activities. To the Lakota, water is life; humans are 75% water and water is a major source of medicine. It is imperative to have safe, clean water for the life downstream and for the future generations.
