

Data Submitted (UTC 11): 10/22/2024 11:37:17 PM

First name: Lesley-Reid

Last name: Harrison

Organization:

Title:

Comments: I support this Withdrawal and I request that it be expedited - our lands are Sacred and our Ancestors and our future generations rely on us to speak to this - clean running water, fresh air, healthy biosystems are all part of this - having space to get away from busy city life and benefiting health wise from the outdoors is part of who we are as humans.
