

Data Submitted (UTC 11): 10/22/2024 11:42:10 PM

First name: April

Last name: Brenneman

Organization:

Title:

Comments: I support the Black Hills Clean Water Alliance. I support this Withdrawal! Our lands, water and air are rapidly being polluted, desecrated and destroyed all across the planet. We must think of our future generations. We must protect our Mother Earth, our only home. Organizations like the Black Hills Clean Water Alliance are taking sacred action to care for us and the earth. Withdraw the mining in this area. Protect this 20,000 acres NOW!
