First name: Brittney

Last name: St. Aubin

Organization:

Title:

Comments: I call upon a withdrawal in order to protect the sacred Native land, water, wildlife, and Earthly resources. Toxic mining is detrimental to humankind and goes far beyond the damage done to each and every one of us. Toxic mining has long-lasting negative effects, and toxic mining is no longer necessary as a means for general living, accumulation of money (profit), etc. I ask that you expedite this withdrawal to the Secretary of the Department of Interior.
