Comments: I support this withdrawal. As a spiritual leader, a minister, I am strongly committed to all that is sacred. Native sites have too long been desecrated and confiscated for profit. The Rapid Creek Watershed is a birthplace of life and so much more than minerals. I pray, if you are individuals of conscience, that you will stand with those who hold this area sacred and withdrawal. And finally, I ask the Forest Service to expedite the Withdrawal proposal to the Secretary of the Department of the Interior.
