Comments: Good day,

I support the Pactola Reservoir - Rapid Creek Watershed Withdrawal.

With all due respect for all, clean water is the minimum requirement for life. Every living thing must have clean water. Moreover, we must preserve clean water and clean land for posterity. I value and appreciate being able to recreate within nature and I want the same for every community.

Please expedite the Pactola Reservoir - Rapid Creek Watershed Withdrawal Proposal to the Secretary of the Department of Interior.

Thank you.

Sincerely,

C LiLana Richardson
