Title:

Comments: Hello,

I support the Pactola Reservoir-Rapid Creek Watershed Withdrawal. Withdrawal will protect the Pactola-Rapid Creek Watershed by ensuring clean water and preservation of sacred lands. We need to preserve the 20,000 acres plus of land of the Rapid Creek Watershed and He Sapa (Black Hills). Please expedite the Withdrawal proposal to the Secretary of the Department of Interior to protect our precious land and water.

Thank you,  
Jackie Bahas
