I, Robert Dorsey, support this Withdrawal.

This is Sacred Land and we need to treat this land with respect. Too often we have sacrificed pristine land in the name of progress for a few to gain wealth. This cannot happen here. We need to allow the water to remain clear and clean for those living down stream. This is a fundamental right.

Please waste no time in providing the Secretary of the Department of Interior the Withdraw Proposal safe guarding the Pactola Reservoir - Rapid Creek watershed.

Thank you
