Data Submitted (UTC 11): 10/23/2024 5:38:11 PM
First name: Irene
Last name: Skyriver
Organization:
Title:
Comments: We are destroying our Earth Mother and Sky Father. Our complete lack of understanding about the inter-connected web we ALL depend on; from the air we breath, to the food we grow and for which all other living creatures also depend on, demands that we MUST stop the rape and pillage of the lands, air and seas.
Please redirect your dreams and visions of profit, to ways of living in harmony, with this one and only beautiful ecosystem.
