Comments: First, I support this Withdrawal.

Pactola is a very special place, and one my family and I hope to visit and enjoy soon.

I support the restoration and preservation of damaged lands, particularly when those places are considered sacred to Indigenous peoples. They understand true stewardship and protection of these lands.

We must care for this place for the critical wildlife habitats, and vital recreation opportunities available for future generations.

I strongly urge you to expedite the Withdrawal proposal for the Pactola Reservoir-Rapid Creek Watershed Withdrawal Project to Secretary of the Interior Deb Haaland.
