First name: Marshal

Last name: McKittrick

Organization:

Title:

Comments: To the USFS,

I support Pactola Reservoir - Rapid Creek Watershed Withdrawal #63876.

We need to stay focused on clean water and, just as importantly, the preservation of sacred lands in the U.S.

So, I'm asking the U.S. Forest Service to expedite the Withdrawal proposal to the Secretary of the Department of Interior.

Thank you for your time and your service.

Best regards,

Marshal McKittrick

Sacramento, CA
