Title:

Comments: I support Alternative C, the Wilderness Exclusion Alternative. The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests to comply with the Wilderness Act.

The Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C.

The agency should instead allow the natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

Lest us preserve the beauty of our creation for all generations to see!
