Comments: I THINK WE THE CITIZENS SHOULD REVAMP THE BUREAU OF LAND MANAGEMENT! WE NEED OUR FOREST INTACT (TO PURIFY THE AIR, NOT AS TOILET PAPER)! WE DO NOT WANT OUR BEAUTIFUL WILD HORSES & BURROS BETRAYED BY THEIR "HUMANE CULLING" OF OUR ICONIC HORSES, SO THEY CAN MAKE MONEY LEASING OUR LANDS TO CATTLE RANCHERS' GRAZING HERDS AS THEY SHIP OUR HORSES INTO THE SLAUGHTER PIPELINES! THEY ARE NOT DINNER FOR THE ELITES IN EUROPE! I PERSONALLY AM SICKENED BY OUR GOVERNMENT OFFICIALS' BETRAYALS OF OUR TRUST THAT THEY ARE NOT STABBING THESE HERDS & US IN OUR BACKS USING OUR TAX DOLLARS TO DO IT!! There are no attachments or files, ONLY MY OPINION!
