Title:

Comments: I object to the prescribed fire project by the California Forest Service in the Sequoia & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests amp; wildlife. Lightning strikes cause enough damage & Dierra areas. This project is going to be disastrous for the forests amp; wildlife. Lightning strikes cause enough damage & Dierra areas. This project is going to be disastrous for the forests amp; wildlife. Lightning strikes cause enough damage & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests & Dierra areas. This project is going to be disastrous for the forests and the habitats of so many species. Do not proceed with this mannable fire burn! The harm will far outweigh any good intentions.
