Comments: DO NOT BURN ANY ANY FORESTS! THE WORLD HAS LOST TOO MANY FORESTS TO FIRES SET BY HUMAN BEINGS ALREADY!!!! THE FIRES GET OUT OF CONTROL, THE BIRDS AND ALL THE WILDLIFE THAT LIVE IN THOSE FORESTS ARE BEING MURDERED!!!!BEEES ARE DYING AT AN UNPRECEDENTED RATE, BUTTERFLIES ARE DYING AT AN UNPRECEDENTED RATE! ALL THE WORLDS WILDLIFE IS DYING AT AN UNPRECEDENTED RATE BECAUSE OF HUMANS! ENOUGH IS ENOUGH! THIS IS NOT CARE TAKING THIS IS TOTAL DESTRUCTION AND MURDER! ILLEGAL CUTTING OF FORESTS ARE HAPPENING EVERY DAY! I support Alternative C, the Wilderness Exclusion Alternative. The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. The Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C. The agency should instead allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests. SAVE ALL OUR FORESTS! THE US FOREST SERVICE DOES NOT KNOW ENOUGH WHEN TO LEAVE NATURE ALONE!!!! STOP THE US FOREST SERVICE FROM DESTROYING THE MOST PRECIOUS FORESTS!
