Comments: I am writing to express my support for the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

The Withdrawal will protect an area of irreplaceable natural beauty for future generations. It will be an act of respect for these pristine lands that and for the First Americans who hold them sacred. The region is both unique and vulnerable, and it needs and merits this protection.

As a U.S. citizen, I request that the Forest Service endorse the the Withdrawal proposal and forward it to the Secretary of the Interior for approval as soon as practicable.

Thank you for your consideration.
