Comments: I am writing to express my support for Alternative C of the Sequoia and Sierra National Forests Prescribed Fire Project (Alternative C is the Wilderness Exclusion Alternative). All designated and recommended Wildernesses should be excluded from the Forest Service's proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

The Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C.

The agency should instead allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.
