

Data Submitted (UTC 11): 10/24/2024 9:36:43 PM

First name: Eliot

Last name: Rusley

Organization:

Title:

Comments: If we have energy, materials, and money for, disposable straws, Tiktok, and space exploration, we are definitely capable of existing and thriving without mindless, reckless extraction. Please stop mining and start cleaning. It's time for humans to grow up and invest in restoration and sustainability, such as recycling and efficiency.
