Comments: I favor the withdrawal of mining operations from the Pactola Reservoir-Rapid Creek Watershed. The compromising the watershed's natural condition will be bad for the environment in particular the businesses that rely on the natural beauty of the area to attract vacationers, hunters, those fishing, hikers, birders, etc.

The local outdoor and recreational economy will be dislocated and reduced by mining and related activity.

Please decide to withdraw mining and related operations from the Pactola Reservoir-Rapid Creek Watershed.
