Comments: I adamantly support Alternative C, the Wilderness Exclusion Alternative. The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act

In addition, the Moses Mountain Recommended Wilderness should be added to Alternative C.

Finally, natural, lightning-caused fire should be allowed to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

Thank you for considering my comments.
