First name: Eric

Last name: Robinson

Organization:

Title:

Comments: It is important the Forest Service select and enact Alternative C. The Forest Service must exclude all designated and recommended Wildernesses, as well as Moses Mountain Recommended Wilderness, from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. Please choose Alternative C to best abide by the Wilderness Act and protect these remaining Wilderness Regions as part of our National Legacy. Thank you.
