First name: J. Douglas

Last name: NELSON

Organization:

Title:

Comments: I wholeheartedly support this withdrawal.

I lived in South Dakota in the late 1970's and early 1980's and have fond memories of this beautiful region which is also a sacred place for indigenous people. It should be protected to assure clean water and used only for recreational purposes.

Please expedite this Withdrawal proposal to the Secretary of the Department of Interior.

Thank you.
