Comments: Dear USFS official,

Thank you for this opportunity to provide public comment.

I support Alternative C, the Wilderness Exclusion Alternative. The USFS should *exclude all designated and recommended Wildernesses* from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the 1964 Wilderness Act.

In addition, the USFS should add the Moses Mountain Recommended Wilderness to Alternative C.

The agency should instead allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

Respectfully,

Heather L. Morijah
