Dear Forest Service, I support Alternative C, the Wilderness Exclusion Alternative. The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

Let's face it, the Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C.

The only alternative that makes any sense is that the agency should instead allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.
