Comments: I support this withdrawal. I have visited the Black Hills, and i know that it is a land of great beauty. It is sacred to our Native brothers and sisters. I cannot imagine hiking, camping, and caving in an area disrupted by mining. I want to show my daughter the beauty of the Pactola Reservoir Rapid Creek Watershed. Mining, even when carried out responsibly, disrupts the land, the ecosystem, and the peace. Please protect wild lands, their plants and animals, and respect Native rights. I'm asking you to expedite the withdrawal proposal to the Secretary of the Department of the Interior.
