Comments: I am asking The Forest Service to please support Alternative C, the Wilderness Exclusion Alternative for the Sequoia and Sierra National Forests in California, to include the Ansel Adams, Dinkey Lakes, John Muir, kaiser, Klavah, Monarch, South Sierra, Dome Land, Jennie Lakes and Golden Trout Wildernesses from the proposed massive burning project now being considered for 866,741 acres. Please allow Nature in the form of natural, lightning-caused to be the ecological method instead of intentionally human "controlled" fires. I also urge your organization to include the Moses Mountain. I thank you
