Title:

Comments: I strongly support Alternative C, the Wilderness Exclusion Alternative for the following reasons:

The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

The Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C.

The agency should instead allow natural, lightning-caused fire (prescribed natural fire) to play its correct ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.
