Comments: 'was able to stay at Howe's Campground ten years or so back, north of Rapid City and took some day trips to Black Hills Caverns, Osprey Hiking Trail, Whispering Pines Campground out 44 there & US 385 by Lake Pactola etc. When I go back I'd like to see it in the condition I saw it atleast, Flag mountain and all its beauty etc. That is why I support the #63876 Withdrawal and it's expedition to Secretary of the Department of the Interior Holland. Like President Obama said, "We're the first generation to feel the effects of climate change and the last generation able to do something about it.
