Comments: Thank you for the opportunity to comment. In order to comply with the Wilderness Act, I urge the Forest Service to adopt Alternative C, the Wilderness Exclusion Alternative. I would like to see all designated and recommended Wildernesses excluded from the proposed cutting and burning plans for the Sequoia and Sierra National Forests, and I would like to see the Moses Mountain Recommended Wilderness included in the exclusion list.

For consistency with the goals of the Wilderness Act, the Forest Service should allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.
