First name: Cante

Last name: Heart

Organization:

Title:

Comments: My name is Cante Heart, I am an enrolled member of the Rosebud Sioux Tribe and I am a homeowner in Rapid City, SD. I support the Pactola Mineral Withdrawal because our water is our most valuable resource and we need to protect and maintain our drinking water. Everyone benefits from the protection of our resources and I support the mineral withdrawal. Please consider our right to clean water. Thank you for your time!
