Comments: Thank you for allowing me to comment on this item.

I support Alternative C, the Wilderness Exclusion Alternative, along with the addition of the Moses Mountain. The Wilderness Act does not allow for cutting and planned burns in Wilderness areas, so you need to exclude any proposed cutting and burning plans for the Sequoia and Sierra National Forests, and allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

Thank you,

Kari Miller
