Comments: Thank you for allowing me to share my thoughts on your proposal.

I support Alternative C, the Wilderness Exclusion Alternative.

Wilderness and its preservation is important to me.

The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

I would also recommend that allowing natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

Finally, the Forest Service should also add the Moses Mountain Recommended Wilderness to Alternative C.

Thank you !
