Comments: I support Alternative C, the Wilderness Exclusion Alternative. The Forest Service should exclude all designated and recommended Wildernesses from its proposed cutting and burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

People live in the forest to live in the forest. Slash and burn methods is not how you will protect t these folks. You want to keep them safe? Ensure states stop overdrafting water. Also, allow indigenous to live on the land and steward the environment.
