Last name: Sleeper

Organization:

Title:

Comments: Please, support Alternative C. Exclude all designated and recommended Wildernesses from proposed cutting and burning plans for the Sequoia and Sierra National Forests. Comply with the Wilderness Act.

Also, add the Moses Mountain Recommended Wilderness to Alternative C.

Allow natural, lightning-caused fire to play its ecological role in designated and recommended Wilderness on the Sequoia and Sierra National Forests.

It is wilderness and any cutting or burning should be of natural origin, you know, like in a wilderness!
