First name: Nathan

Last name: Magsig

Organization: County of Fresno

Title: Supervisor

Comments: As Fresno County District 5 Supervisor I am writing to express my support for the Sequoia and Sierra Rx Fire Project Draft Environmental Assessment. Residents in my district understand the benefits associated with prescribed fire and its role in establishing a healthy forest and, in turn, safer communities. We support Forest Service's efforts in managing our public lands and their efforts to restore a healthy fire regime. Should you have any additional questions or concerns please contact me at nmagsig@fresnocountyca.gov.
